Overview

United States visa regulations require all F and J visa holders to provide certified evidence (Affidavit of Support) of adequate funds to meet tuition and living expenses for a proposed program of study. The Affidavit of Support for the first year must have the sponsor's guarantee of support. Section 3 must bear the seal and signature of a government or bank official. Alternately, a letter bearing the bank's seal and signature stating that funds can be transferred may be attached to the affidavit. An I-20/DS-2019 cannot be issued until an acceptable International Graduate Student Financial Affidavit of Support and certification has been received by IIT.

Dependents

If you plan to bring dependents to the U.S., you must provide evidence of additional financial support for each dependent. The minimum amount of support per year will increase by \$4,500 for your spouse, and \$2,300 for each child. Copies of passports for each dependent must be attached to the Affidavit of Support.

Program Duration

International students must register as full-time students (9 credit hours or the equivalent per semester). There are two semesters (fall and spring), and a summer session in each academic year. If an English course is required, it will be concurrent with other academic courses in a full-time program. The duration of a Master's program may be extended by one semester or a summer session beyond the normal time to degree completion.

The following estimates indicate the maximum time required to complete a specific degree program, providing there are no deficiencies and/or prerequisites to meet.

M.Arch: 36 months

M.L.A.: 36 months

M.S.Arch: 24 months

M.I.D.: 24 months

Section 1: Certification by Student

I understand that as an International student, I am required to engage in full-time study at IIT and I am only permitted to work on campus in accordance with immigration regulations. IIT is not obligated to provide me with employment during the period of my enrollment. Other than pre-arranged teaching and research assistantships, IIT does not have sufficient employment opportunities for international students. I further understand that other opportunities to work in the U.S. are limited by law.

I certify that I have arranged for financial support equivalent to the number of semesters that my degree program requires. For the 2012-13 academic year, the financial responsibility will be a minimum of \$50,139 (subject to annual increases). In addition, I have arranged for all travel expense and for support of my dependents (if applicable) while they are in the United States.
