

Room Reservation Process 2011-2012

Rooms Available for Returning Residents

Updated Feb 15, 2011

Listed below are the rooms reserved for returning residents for 2011-2012. Housing & Residential Services reserves the right to change available rooms until the start of the Room Reservation process on March 7, 2011. Returning residents can reserve units in State Street Village, McCormick Student Village and Gunsaulus Hall. The floor plans listed below are sample units; each unit is unique and may be different than the floor plan shown.

For details on how to reserve a room for 2011-2012, please view the Room Reservation Guide or view the Housing & Residential Services website at housing.iit.edu.

UPDATE! Any room in SSV, Gunsaulus or MSV can be selected as a single (aka Double As a Single). We know many students are interested in single rooms. See room type exceptions below!
