Parking Rules and Restrictions

In consideration hereof, I hereby agree to comply with the policies governing parking at IIT, which policies are posted at <http://www.iit.edu/~parking/policy.html>. I acknowledge my responsibility for all parking violations that I may actually commit, and I authorize IIT or its designated representative to tow and store, at my expense, any vehicle registered to me or identified in the *Vehicle Information* section above that is parked in violation of IIT parking policies or posted signs. In addition, I agree to promptly pay or appeal any tickets issued to any vehicle registered to me or identified in the *Vehicle Information* section above within the allotted time. If such fines are not paid or appealed in the allotted time, I understand that IIT may take all legal recourse available to it to recover such fines to deduct such fines. Further, if I am an IIT student, I understand that IIT may place a hold on my registration for classes, my request for transcripts and/or the awarding of my diploma until such fines have been paid in full; if I am an employee of a Tenant of IIT, I understand that that IIT may disclose the existence of such fines to my employer and bill my employer the amount associated therewith to the maximum extent allowable under my employer’s Lease Agreement with IIT. I also understand that it is my responsibility to notify Access, Card & Parking Office in the event my vehicle is sold or transferred and that I will only be release of liability for any citations issued subsequent to such sale or transfer upon my providing the Access, Card & Parking Office proof that I am no longer the registered owner thereof.
