By checking this box and signing below, I authorize IIT to charge my student tuition account on a semester basis for the corresponding permit selection that I have made above. I understand that any Title IV financial aid (Pell Grants, SEOG Grants, Perkins Loan, Stafford Loans, PLUS Loans and Work-Study moneys) applied to my student account in excess of my tuition and other mandatory fees will be applied to my permit fee. I also agree that all subsequent permits that I may apply for will be charged to my student tuition account as well.

Statement of Authorization and Certification, Regarding the Use of Title IV Funds for Miscellaneous Fees (IIT Students Only)

By checking this box and signing below, I hereby grant permission for Title IV financial aid (Pell Grants, SEOG Grants, Perkins Loan, Stafford Loans, PLUS Loans and Work-Study moneys) to be applied not only to tuition and mandatory fees but also, if living on campus, room and board charges and any other miscellaneous charges, including, but not limited to, library fines, parking fines, late fees, health insurance fees and room damage charges, that I may incur. I hereby authorize Illinois Institute of Technology to apply my Title IV Financial aid to ALL current charges on my student account. I understand that this option will remain in effect until I submit an updated Statement of Authorization and Certification, Regarding the Use of Title IV Funds Form with the Bursar's Office.

Parking Rules and Restrictions

In consideration hereof, I hereby agree to comply with the policies governing parking at IIT, which policies are posted at <http://www.iit.edu/~parking/policy.html>. I acknowledge my responsibility for all parking violations that I may actually commit, and I authorize IIT or its designated representative to tow and store, at my expense, any vehicle registered to me or identified in the *Vehicle Information* section above that is parked in violation of IIT parking policies or posted signs. In addition, I agree to promptly pay or appeal any tickets issued to any vehicle registered to me or identified in the *Vehicle Information* section above within the allotted time. If such fines are not paid or appealed in the allotted time, I understand that IIT may take all legal recourse available to it to recover such fines to deduct such fines. Further, if I am an IIT student, I understand that IIT may place a hold on my registration for classes, my request for transcripts and/or the awarding of my diploma until such fines have been paid in full; if I am an employee of a Tenant of IIT, I understand that IIT may disclose the existence of such fines to my employer and bill my employer the amount associated therewith to the maximum extent allowable under my employer’s Lease Agreement with IIT. I also understand that it is my responsibility to notify Access, Card & Parking Office in the event my vehicle is sold or transferred and that I will only be release of liability for any citations issued subsequent to such sale or transfer upon my providing the Access, Card & Parking Office proof that I am no longer the registered owner thereof.
