ILLINOIS TECH CHICAGO STAR SCHOLARSHIP

PROGRAM DESCRIPTION

FastForward to Illinois Tech for Chicago STAR Scholars allows you to stay connected to the university while pursuing your studies at CCC. We provide ongoing support for your academic pursuits through professional advising and peer mentorship, as well as providing experiences to expand your knowledge of majors and career paths that Illinois Tech offers.

Benefits

- Personal and professional development opportunities on Illinois Tech's campus
- Academic advising and support from both CCC and Illinois Tech
- Mentorship from an upper-level Illinois Tech transfer student in your major
- \$25,000 each year enrolled as a full-time student at Illinois Tech
- Opportunities to take summer courses at Illinois Tech

Eligibility

- Admissibility to major program at Illinois Tech
- Completion of AA, AGS, or AS degree at CCC
- Must have a 3.0 or higher GPA
- Follow the pathway degree plan provided by a CCC advisor

APPLICATION INFORMATION

- Sign-up for the **FastForward to Illinois Tech** program
- Inform your college transfer director of your participation in the FastForward program
