PLEASE NOTE: If a student earns multiple Illinois Institute of Technology merit scholarships throughout the admission process, the university will award the highest merit award for which the student is qualified, but will not combine multiple awards. For instance, the Illinois Tech/WRO scholarship may not be combined with a previously awarded Camras, Collens, FIRST, Heald, International Tuition, or VEX Scholarship. Only first year applicants to Illinois Tech's fall 2020 incoming class are eligible for this scholarship. Total Illinois Tech provided scholarships and/or tuition benefits may not exceed cost of tuition.
