

Transfer Student Housing and Dining Options

What does it mean to live on campus? Well, it's a lot more than having a place to sleep. It's your home while you're here. The place where you hang out with friends. Talk to your roommates. Study. Kick back. Relax. Store your stuff. Sleep. Eat. It's your own space. The place that says something about who you are, what you like, and what's important to you.

Our residence halls offer a focused and dynamic living learning environment. Living on campus also has additional benefits such as close proximity to classes, The McCormick Tribune Campus Center, Keating Gym, and access to a wide variety of events and programs hosted at various buildings across campus.

McCormick Student Village (MSV) provides large lounges, multiple study areas, and many opportunities to interact with fellow students. A central common area and one main entrance/exit connect all residence halls.

State Street Village (SSV), designed by Helmut Jahn, a renowned architect, is a collection of three residence halls. SSV North and Middle contain double suites. SSV South contains apartments available to students after their first year.

Gunsaulus Hall (GU) offers a variety of housing options. Each studio, one-bedroom, and two-bedroom apartment features appliances and window treatments. Student rooms include a full furniture package, including bedroom and living room furniture. Available to juniors, seniors, transfer students, and graduate students.

Carman Hall (CA) offers a variety of apartment types, including studios and one-bedrooms with dens. Available for graduate students; students living with dependents, spouses, or domestic partners; and students over 23 years old.

Housing Amenities

Work Out

As a resident you will be able to use the fitness rooms located in MSV, SSV, and GU. All campus residents can access the fitness rooms during regular building hours. A variety of fitness machines and open spaces make up these convenient facilities.

Wash Up

Laundry machines are located in MSV, SSV, GU, and CA for use 24/7. **Laundry is free of charge for all residents.**

Room Furnishings

Room amenities include bunkable bed frames with XL-twin mattresses, drapes or mini-blinds, dressers, study desks and chairs, and access to a wireless network. Apartment-style housing may include additional furnishings. Room layouts and dimensions for standard room types are available online at housing.iit.edu.

Refrigerators

Micro-fridge rentals are available for semester and academic-year rentals. Many residents find it convenient to have microwaves and refrigerators in their rooms to accommodate for snacks and late-night meals. Place your order online at bedloft.com.

Approved refrigerators should not exceed 3.0 cubic feet (or 4.0 cubic feet if Energy Star rated) and should not draw more than 2.0 amps. All wiring should be UL-approved and properly grounded. There is a maximum of one refrigerator or micro-fridge per room or apartment. Microwaves are permitted only in units with kitchens (unless it is a rented Bedloft micro-fridge); microwaves are available in public spaces throughout the residence halls.
