## Updates Regarding Student Fees for the Fall 2020 Semester

Dear Student,

Due to the fact that we have multiple modes of instruction happening at the same time (online, hybrid, and in person) and our students are currently located all over the world, I am receiving quite a few questions about student fees for the fall 2020 semester. Therefore, I am writing to offer some additional information to help provide you with clarity.

The mandatory fees that you are charged depend on what type of student you are (graduate, undergraduate, new, returning, or graduating), the mode of instruction in which you are enrolled, and the location from which you are studying (domestic or abroad).

To this end, we have created the below dashboard, which provides you with your individual information (click on the link to view): <https://datastudio.google.com/reporting/08c227fd-fb52-4bdf-a478-e37143e23995>

When you reach the dashboard, simply provide your information in the check-box menus and your fees will be displayed. If the fees on this table do not currently match your current student bill, know that we are in the process of adjusting all student bills so that any discrepancies are rectified by September 8, 2020.

*Some important notes from the table are as follows:*

### **Graduation Fee**

If you are planning to graduate at the end of the fall 2020 semester and your mode of instruction is online only, the graduation fee has been waived.

### **University Health Insurance**

If you are an international student currently residing in the United States, you must enroll in the Illinois Tech Health Insurance policy. If you are an international student studying online from abroad, the health insurance requirement is waived. Please visit <https://web.iit.edu/shwc/insurance> to learn more about the Illinois Tech student health insurance and the insurance waiver process.

Additional information on mandatory student fees can be found at <https://web.iit.edu/student-accounting/tuition-fees/mandatory-and-other-fees>.

Please do not hesitate to contact our Office of Student Accounting at [sa@iit.edu](mailto:sa@iit.edu) if you have further questions about your fall 2020 student bill.

Sincerely,

Mike Gosz  
Vice President for Enrollment and Senior Vice Provost
