Overview

Your 2020 Free Application for Federal Student Aid (FAFSA) was selected for review through a process called verification. **Verification** is the U.S. Department of Education's method of confirming data on your FAFSA and requires the Office of Financial Aid to collect various forms of documentation. After all documentation has been submitted, check your Illinois Tech hawk email as our office may have follow-up questions about the information submitted.

We are asking you to complete this form because additional information and/or documentation about your or your parent(s)' 2018 taxes is needed.

Explanation

Please provide a brief explanation of the circumstance at hand.

Documentation

Attach documentation to support your case. Examples of common documentation include confirmation of a parent or sibling's residency, a 1099-R, conformation of a parent's incarceration, or a screenshot showing you or a parent is unable to request a Statement of Non-Filing from the IRS website.
