Dear Scholar,

We are writing with an opportunity to assist you in clearing your outstanding balance to the university. Illinois Tech has received an allocation of Higher Education Emergency Relief Funds (HEERF) through the American Rescue Plan. This latest batch of funds has additional flexibility that allows universities to help students who still owe funds to the university from a prior term of enrollment during the pandemic.

We are reaching out to you specifically as you still owe a balance from a recent term and may be experiencing financial need. To assist you in paying down your balance, a \$3,000 Higher Education Emergency Relief Grant is being distributed to you.

This grant may be applied to your outstanding balance. If you consent to having the grant applied to your bill, please complete this [Authorization Form](#) by Tuesday, August 17. Otherwise, the funds will be distributed directly to you via direct deposit (or by paper check if no direct deposit information is on file in TouchNet).

If you owe a remaining balance after this grant distribution, you are highly encouraged to contact Student Accounting to arrange payment. Once your balance is paid, you may register for the upcoming term (assuming all other holds have been cleared).

We understand the past year has brought about many challenges and we hope this grant assists you with your financial needs. An application for further grant assistance will open to eligible students later this fall. You are encouraged to apply for additional assistance if needed, at that time. Please let us know if you have any questions.

Sincerely,

Office of Financial Aid
