

Beta Gamma Sigma is the international honor society serving business programs accredited by AACSB International — the Association to Advance Collegiate Schools of Business. Founded in 1913, it became the exclusive honor society recognized by AACSB in 1921. Beta Gamma Sigma has over 754,000 members, selected from 540 chapters in AACSB-accredited business schools around the world.

Membership in Beta Gamma Sigma is the highest recognition a business student anywhere in the world can receive in a business program accredited by AACSB International. Membership requirements specify that a student must be in the top 10 percent of a baccalaureate business program or the top 20 percent of a master's business program. Doctoral students are eligible for membership after completing all requirements for the doctoral degree.

Academic Regalia

As part of the induction today, students will receive the following items that should be worn upon graduation as part of the Illinois Tech and Stuart School of Business Commencement Ceremonies: stole, honor cords, medallion, and tassel charm. Please plan to bring these items with you to the Stuart Commencement Ceremony. If you are not graduating this semester, these items should be kept and worn at your graduation ceremony.
