Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

Certain courses may be transferred based on their: (a) overall level and quality; and (b) educational appropriateness as part of the Illinois Tech Clinical Psychology Program.

A master's thesis from another university may be accepted if the faculty advisor and the DCT determine that it is acceptable based on clinical program standards.
For more on course transfers, please see the Program Handbook at the URL below.
