203
Chicago, Illinois 60616

How Should I Check My Graduation Requirements?

How to Check Your Academic Progress: DegreeWorks

What is DegreeWorks?

DegreeWorks is a web-based planning tool to help students and advisors monitor student's progress toward degree completion. DegreeWorks provides a more accessible, convenient, and organized way for students to know where they are academically and how they can plan the rest of their college careers. DegreeWorks is not a substitution for consultation with an academic advisor. Students will still need to see an academic advisor in order to receive access to register for classes. Within DegreeWorks, you can do the following:

- View your current registrar report.
- Run a "What-If" scenario.
- View E-forms, Request Assistance, & FAQs.

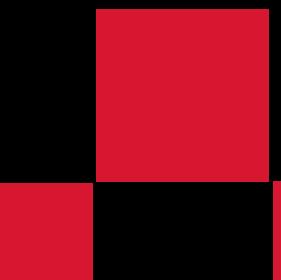

Note: DegreeWorks is not a substitution for consultation with an academic advisor

Graduation Application

ILLINOIS
TECH

Graduation Application Process

Degree Conferral

This is when the university officially issues your diploma and confers your degree. This happens 3 times per year:

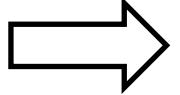

- May
- August
- December

Commencement Ceremony

This is the formal, in-person graduation ceremony. This happens **once per year** in May.

Note: The application for degree conferral and the RSVP for Commencement are **separate processes**. You must complete both.

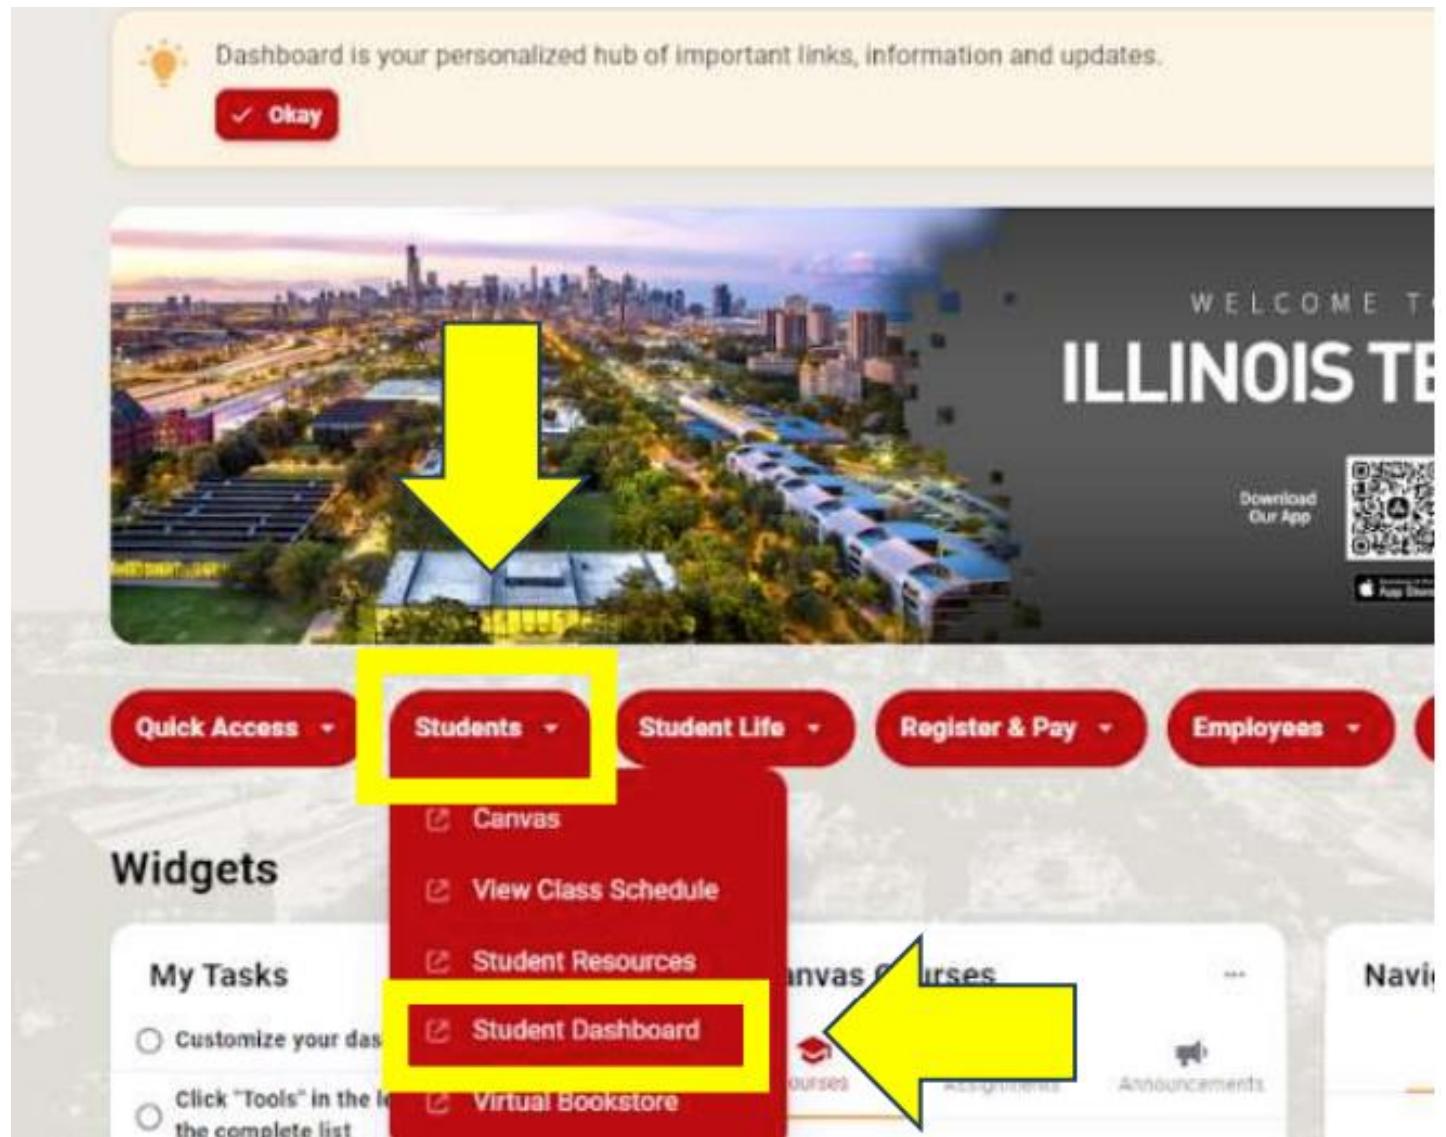

When Should I Apply for Graduation?

- **Check the Illinois Tech Academic Calendar by the Office of Registrar!**
 <https://www.iit.edu/registrar/academic-calendar>
- **Spring 2026** Graduation Application is due February 2nd 2026

How to Apply for Graduation (1/2)

Step 1: Access Dashboard

- 1 Log in to your Illinois Tech Portal.
- 2 Select the "Students" tab.
- 3 Click on "Student Dashboard".

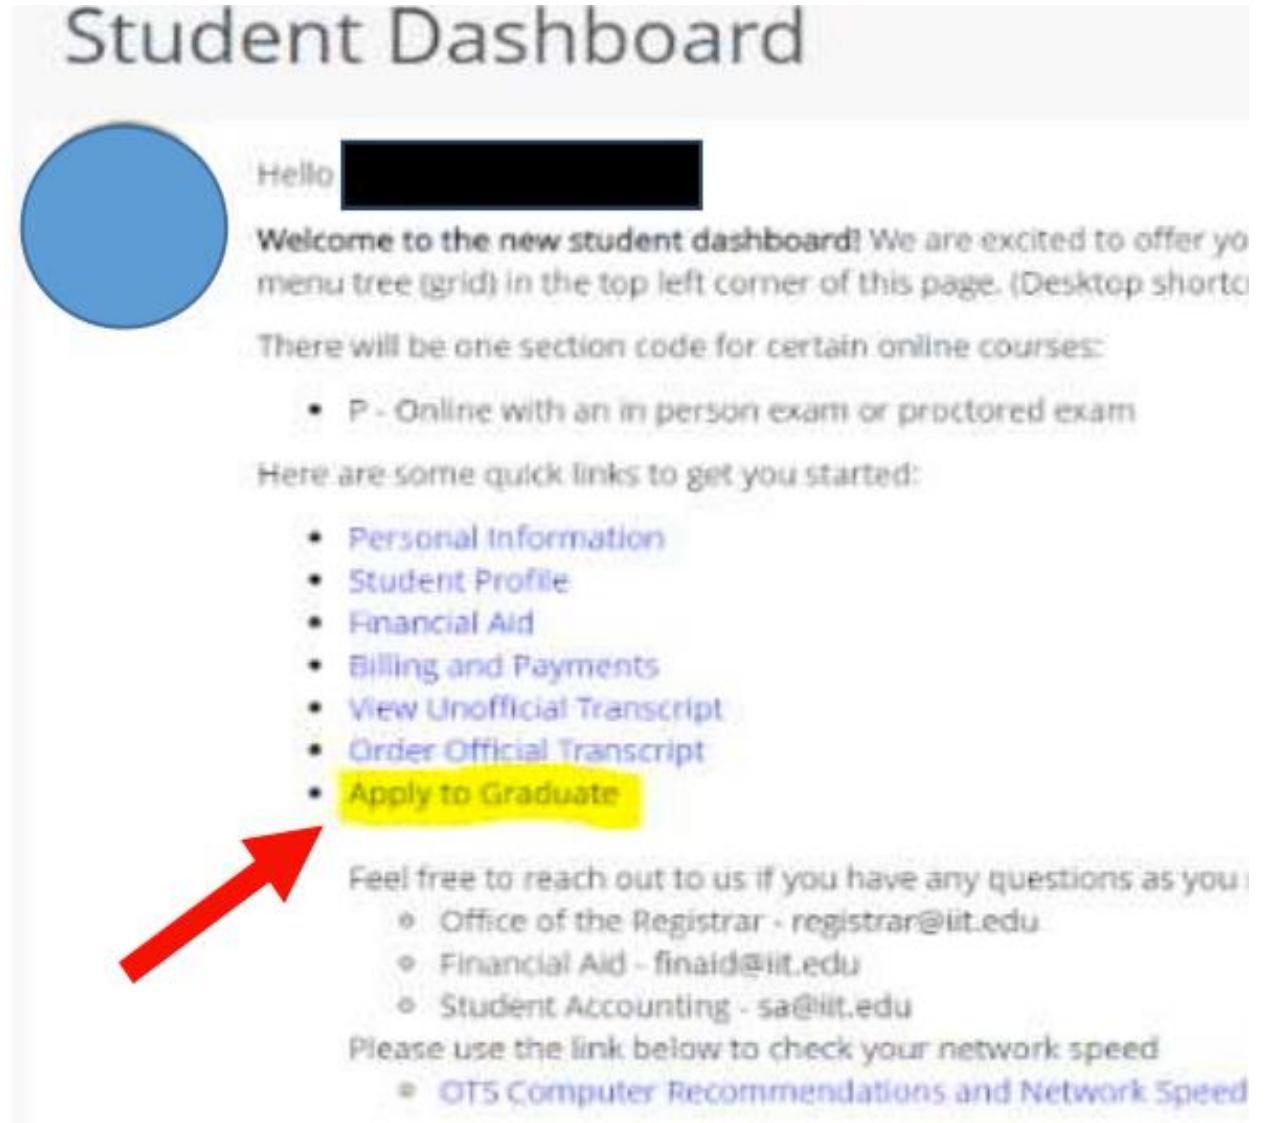

How to Apply for Graduation (2/2)

Step 2: Complete Application

Inside your Student Dashboard:

- 1 Find and click on "Apply to Graduate".
- .
- 2 Select your Graduation Term and Program.
- .
- 3 Complete and submit your application.
- .

Spring 2026 Application Due: **February 2nd, 2026**

Student Dashboard

Hello [REDACTED]

Welcome to the new student dashboard! We are excited to offer yo

menu tree (grid) in the top left corner of this page. (Desktop shortc

There will be one section code for certain online courses:

- P - Online with an in person exam or proctored exam

Commencement

ILLINOIS
TECH

Commencement Ceremony Details

Who is eligible to walk?

The Commencement ceremony takes place once per academic year in May. Illinois Tech Coursera learners that have completed degree requirements in December, May and August within the academic year are able to take part in the Commencement Ceremony each May.

Fall 2025, Spring 2026, and Summer 2026 graduates are all eligible to walk in the **May 2026 ceremony**.

- Check your university email for the RSVP.
- Order your cap and gown (Due early April).
- Keep checking the official commencement website for updates.

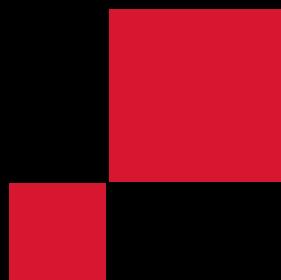

NOTE: Historically, graduates have received **four guest tickets**, but please note this number is **not guaranteed** as it strictly depends on the number of graduates and the venue's capacity. The official ticket count will be released in **May**, and if you need more, you are permitted to **request extra or trade** with fellow graduates. **Do not pay** for extra graduation tickets.

If you are eligible to attend the May commencement...

- Check your **university email** for commencement RSVP email
- Keep checking this website for updated information about **commencement** [**https://www.iit.edu/commencement**](https://www.iit.edu/commencement)
- Once you RSVP for the commencement, you will be ordering **cap and gown** (Due early **April**)
