Welcome to Illinois Institute of Technology's 157th Commencement ceremony. The university community extends cordial greetings to the families and friends who are celebrating this culmination of years of formal study.

For 2,972 students, today's ceremonies officially recognize their academic accomplishments at Illinois Tech and inaugurate a new era in their lives. With a broad foundation of both intellectual capability and experiential learning that characterizes an Illinois Tech education, our graduates also take with them a sound understanding of contemporary society and its values as they join thousands of other Illinois Tech alumni.
